"Until I Can't Breathe"

(chorus)
IÂ'm gonna run until my legs give out
IÂ'm gonna scream until I canÂ't breathe
WeÂ're gonna talk until your heart pours out
Then IÂ'll sing
Until you fall in love with me

You say youÂ're crazy
but I think youÂ're doinÂ' fine
just believe in yourself
youÂ'll make it
you can put your hand in mine
but if you want to spread your wings and fly
IÂ'll let you go and youÂ'll see
Everything you dreamed and reached for
Babe, you got it you got it completely
And when youre out there in this world makin a name
I hope you hear that song
Hear it, and feel the same

(chorus)

ItÂ's been a while since youÂ've been gone
And I still bother you
I know youÂ'd be so happy somewhere
Whether its with, or without me
I hope you donÂ't miss this point
This is me complaining
This is me payinÂ' you back for all those times we had
ItÂ's just me sayinÂ'
That when youÂ're out there in the world
SinginÂ' along
Well I promise you IÂ'd write it
And this is your song

(chorus x2)

WeÂ're out there on the road
And singinÂ' along
Well I promised you IÂ'd write it
And this is your song

(chorus x2)
