[Guns and Roses cover with Slash and Duff]

Fuckin' see? Take me down to the Paradise City where  
the grass is green and the girls are pretty

[Puts mic in audience]

Take me down to the Paradise City where the grass is  
green and the girls are pretty

Oh, won't you please take me home?

Just an urchin livin' under the street

I'm a hard case that's tough to beat

I'm your charity case, so buy me something to eat

I'll pay you at another time

Take it to the end of the line

Rags to riches, or so they say

You gotta keep pushin' for the fortune and fame

You know, it's all a gamble when it's just a game

You treat it like a capital crime

Everybody's doin' the time

Take me down to the Paradise City where the grass is  
green and the girls are pretty

Oh, won't you please take me home?

Take me down to the Paradise City where the grass is  
green and the girls are pretty

Take me home

Strapped in the chair of the city's gas chamber

Why I'm here I can't quite remember

The Surgeon General says it's hazardous to breathe

I'd have another cigarette, but I can't see

Tell me who you're gonna believe

Take me down to the Paradise City where the grass is  
green and the girls are pretty

Take me home

Take me down to the Paradise City where the grass is  
green and the girls are pretty

Oh, won't you please take me home?

So far away

So far away  
So far away  
So far away

Captain America's been torn apart  
Now he's a court jester with a broken heart  
He said, "Turn me around and take me back to the  
start.  
I must be losin' my mind." Are you, blind?  
I've seen it all a million times

Take me down to the Paradise City where the grass is  
green and the girls are pretty  
Take me home  
Take me down to the Paradise City where the grass is  
green and the girls are pretty  
Oh, won't you please take me home?

Take me down to the Paradise City where the grass is  
green and the girls are pretty  
Take me home  
Take me down to the Paradise City where the grass is  
green and the girls are pretty  
Oh, won't you please take me home?

I wanna go  
I wanna go  
Oh, won't you please take me home?

I wanna see  
How could it be?  
Oh, won't you please take me home?

Take me down to the Paradise City where the grass is  
green and the girls are pretty  
Take me home  
Take me down to the Paradise City where the grass is  
green and the girls are pretty  
Oh, won't you please take me home?

Take me down  
Take me 'round  
Oh, won't you please take me home?

I wanna see  
How could it be?  
Oh, take me home
