The day I stopped and listened
Heard the sound of love
Asking to be let in

Offering a new life
And giving me a chance
To start over again
You reached out to me
And now I sing

And I am free
And I am free
My sin was wrapped around me
Trying to drown me
You have set me free
And I am free
And I am free
The chains that held me tightly
Are finally lifting
You took this weight from me
Now I'm free

Covered by Your mercy
Captured by a hope that will always remain
I can stop and breathe now
Resting in the shelter of Your name
You reached out to me
And now I sing

And I am free
And I am free
My sin was wrapped around me
Trying to drown me
You have set me free
And I am free
And I am free
The chains that held me tightly
Are finally lifting
You took this weight from me

No more fear inside me

I will trust completely
Your love overtakes me
And nothing else has made me free
I am free

Free
And I am free
My sin was wrapped around me
Trying to drown me
You have set me free
And I am free
And I am free
The chains that held me tightly
Are finally lifting
You took this weight from me
And now I'm free

The chains that held me tightly
Are finally lifting
You took this weight from me
And now I'm free
