You are the only one that brings me peace  
You are the only one where hope is seen  
The mercy you've given is more than I deserve  
So I lay it down so I can heed your word

Hear my voice, I raise to you  
With honor and praise  
All glory is due  
I lay it down all at your feet  
With lifted hands it's you we seek

To you we seek  
Come now Jesus  
I will seek your face

You are the only one that brings me truth  
You are the only one that makes me new  
The grace you've given a gift for all to see  
So this is why I give you everything

Hear my voice, I raise to you  
With honor and praise  
All glory is due  
I lay it down all at your feet  
With lifted hands it's you we seek

And to you I lift my voice  
And to you I lift my hands  
And to you I give my heart

Hear my voice, I raise to you  
Honor and praise  
All glory is due  
Lay it down all at your feet  
Lifted hands  
To you, to you we seek

Hear my voice, I raise to you  
With honor and praise  
All glory is due  
I lay it down with everything that's in me  
With lifted hands it's you we seek
