Key of E
(fast tempo)

(Fiddle Intro)

CHORUS:

(E) Hey, now she's a pretty little sweetie and I love her
and I wanna
Make her (A) mine
(B) With some effort and some patience and some
chasin' and a little bit
Of (E) time
(E) With some huggin' and some squeezin' and some
kissin', we can keep
It right on (A) line
(B) And then I'll tell her everything will be all right and
then we're
Gonna make it (E) fine

VERSE 1:

(E) Hey, I knew it when I met her that I'd love her and I'd
never go (A)
Away
(B) So I've gotta do the things that'll please her so she'll
always
Wanna (E) stay
(E) I didn't really mean to hurt her, but I did and now
I'm runnin' out
Of (A) time
(B) Ya' know, I'd be a fool to lose her. If I did, ya' know,
I'd
Probably lose my (E) mind

CHORUS

INSTRUMENTAL

VERSE 2:

(E) If the girl you love's an Okie, then you know that
she's just gotta

Be the (A) one

(B) 'Cause it's the girls from Oklahoma who make livin'
in the country

So much (E) fun

(E) I think I'll take her to a farm out in Blanchard and
we'll watch the

Setting (A) sun

(B) And then we'll live and love together 'til we're old
and then we'll

Say we've just (E) begun

CHORUS

CHORUS

TAG AT END OF FINAL CHORUS:

(B) She's a pretty little sweetie and I love her and I
wanna make her (E)

Mine
