VERSE 1:

(D) Whenever I try to kiss her, she just looks (Bm) away
(G) And lately it seems she never has much to (A) say
(D) And lately it seems she seldom gives me a (Bm)
smile
(G) The last time she held me close has been quite a
(A) while

CHORUS:

(G) It seems that our love is dyin' a little each (D) day
(A) 'Cause even when she's right here beside me, she's
so far (D) away
(G) Now, she's lost a feelin' that somehow she can't
seem to (D) find
(A) And soon she'll be leaving for good, leavin me far
(D) behind

INSTRUMENTAL

VERSE 2:

(D) Well, it seems she's lost that gleamin' look in her
(Bm) eyes
(G) It leads to me thinkin' she's seein' some other (A)
guy
(D) And soon my heart will shatter when she walks out
that (Bm) door
(G) 'Cause to her the love we've shared don't matter no
(A) more

CHORUS:

(G) It seems that our love is dyin' a little each (D) day
(A) 'Cause even when she's right here beside me, she's
so far (D) away
(G) Now, she's lost a feelin' that somehow she can't
seem to (D) find
(A) And soon she'll be leaving for good, leavin me far
(D) behind
(G) Well, she's lost a feelin' that somehow she can't
seem to (D) find
(A) And soon she'll be leaving for good, leavin me far
(D) behind
