I praise You in the morning, I praise You in the evening
I praise You when I'm Young and when I'm old
I praise You when I'm laughing, I praise You when I'm
grieving
I praise You every season of the soul

If we could see how much You're worth
Your power, Your might, Your endless love
Then surely we would never cease to praise You

Everything that, everything that
Everything that has breath, praise the Lord
Everything that, everything that
Everything that has breath, praise the Lord

I praise You in the heavens, joining with the angels
I'm praising You forever and a day
I praise You on the earth now, joining with creation
Calling all the nations to Your praise

If we could see how much You're worth
Your power, Your might, Your endless love
Then surely we would never cease to praise You
Oh yeah!

Everything that, everything that
Everything that has breath, praise the Lord
Everything that, everything that
Everything that has breath, praise the Lord

Everything that, everything that
Everything that has breath, praise the Lord
Everything that, everything that
Well, everything that has breath, praise the Lord

Everything that, everything that
Everything that has breath, praise the Lord
Everything that, everything that
Everything that has breath, praise the Lord

Everything that, everything that
Everything that has breath, praise the Lord

Everything that, everything that
Everything that has breath, praise the Lord

Everything that, everything that
Everything that has breath, praise the Lord
Everything that, everything that
Well, everything that has breath, praise the Lord
