Oh, the weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow, let it snow, let it snow

It doesn't show signs of stopping
And I've bought some corn for popping
The lights are turned away down low
Let it snow, let it snow, let it snow

When we finally kiss goodnight
How I'll hate going out in the storm
But if you'll really hold me tight
All the way home I'll be warm

Oh, the fire is slowly dying
And, my dear, we're still good-bying
But as long as you love me so
Let it snow, let it snow, let it snow

Come on

When we finally kiss goodnight
How I'll hate going out in the storm
But if you'll really hold me tight
All the way home I'll be warm

Oh, the weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow, let it snow, let it snow

The fire is slowly dying
And my dear, we're still good-bying
But as long as you love me so
Let it snow, let it snow, let it snow
Let it snow, let it snow, let it snow
Let it snow, let it snow, let it snow
