Gripping on so tight with
the security i have inside
Knowing what is right
Holding onto my pride

Letting Go
Of the things i hold so dear
Letting Go
Of all my pain and all my fears
Letting Go
Of the Things i hold so dear
Letting Go
Of all my pain and all my fears

I have been brought to a place
Where i want to give up everything
Where all i can do is seek your face
and my brokenness i will bring

Letting Go
Of the things i hold so dear
Letting Go
Of all my pain and all my fears

Letting Go
Of the Things i hold so dear
Letting Go
Of all my pain and all my fears

Holding on to the things i deem so strong
Holding on even though my faith has been built so long
Holding on to the things I deem so strong
Holding on to hwat I know
I'm letting go

Letting Go
Of the things i hold so dear
Letting Go
Of all my pain and all my fears
Letting Go
Of the Things i hold so dear
Letting Go

Of all my pain and all my fears
Of all my pain and all my fears
Letting Go.
