You are the fullness of the beauty I seek
You are, You are
You are the healer of the broken and weak
You are, You are

Even though few may stand and proclaim
Your great name
It's the life I want to live
I'm convinced, there is none like You

I'm not ashamed of the Gospel
I'm not ashamed of Jesus Christ
I will stand and boldly say
This is my life, whoa

You are the author of salvation and faith

You are, You are
You are the victory that conquered the grave
You are, You are

Even though few may stand and proclaim
Your great name
It's the life I want to live
I'm convinced, there is none like You

I'm not ashamed of the Gospel
I'm not ashamed of Jesus Christ
I will stand and boldly say
This is my life, whoa
