Can't wait to walk along Your side
And feel the beauty of Your love
And the fullness of Your grace now

Can't wait to finally be alive
To be in the place where I belong,
To know I've fought for what's right

Don't let this life take hold of my desires
And I won't give up the fight

Cause one day I will be with You in paradise, paradise
But until that day, I will surrender all my life, all my life
We'll sing Hallelujah, Hallelujah, every knee will bow
and say
Hallelujah, Hallelujah, we'll bring glory to Your name

Can't wait to walk the streets of gold
And see a lion with a lamb,
And colors that are untold

Can't wait to look into Your face
And see the majesty and glory
That makes the Earth shake

Cause one day I will be with You in paradise, paradise
But until that day, I will surrender all my life, all my life
We'll sing Hallelujah, Hallelujah, every knee will bow
and say
Hallelujah, Hallelujah, we'll bring glory to Your name

On my knees, I will glorify, in paradise
On my knees, I will glorify, in paradise
On my knees, I will glorify, in paradise
Cause one day...
I know I will be with You

We'll sing Hallelujah, Hallelujah, every knee will bow
and say
Hallelujah, Hallelujah, we'll bring glory to Your name

Cause one day I will be with You in paradise, paradise
But until that day, I will surrender all my life, all my life
We'll sing Hallelujah, Hallelujah, every knee will bow
and say
Hallelujah, Hallelujah, we'll bring glory to Your name
