Jesus, humble savior
Perfect maker, there is no greater story
Holy Spirit, burn inside me
Give me passion that pours out to every nation...

Shine your light, Shine your light
I am yours Lord
Lift me up, lift me up
I am no more
Let me live, let me live
Inside your Glory, Glory
Shine your light, Shine your light
I am yours Lord
Lift me up, lift me up
I am no more
Let me live my life
Inside your Glory, Glory

Father, how you love me
Give me shelter, and cover me with your mercy
You are moving, all around us
We are merely desperately seeking your face, your
way

Shine your light, Shine your light
I am yours Lord
Lift me up, lift me up
I am no more
Let me live, let me live
Inside your Glory, Glory
Shine your light, Shine your light
I am yours Lord
Lift me up, lift me up
I am no more
Let me live my life
Inside your Glory...

Father lead us, Spirit guide us
Jesus show us your way
Wouldn't you move us, to the places
Where the broken find healing in your name

Shine your light, Shine your light
I am yours Lord
Lift me up, lift me up
I am no more
Let me live, let me live
Inside your Glory, Glory

Shine your light, Shine your light
I am yours Lord
Lift me up, lift me up
I am no more
Let me live my life
Inside your Glory, Glory
