So many times Iâ€™ve fallen  
So many ways Iâ€™ve failed you  
So many times Iâ€™ve stepped out on my own

I know Iâ€™m undeserving  
But I feel You are preserving  
The only good that I have shown

The only word that I can bring  
Are these very words I sing  
To sing to You now

[CHORUS]

Cause I am so in love with You  
Thereâ€™s nothing else I choose  
Youâ€™ve stolen my heart  
Yes, Iâ€™m all for You

Nothing can separate me  
From the grace that You gave free  
I know Youâ€™ll never let me go  
Even though You know my frailties  
Every single thing about me  
You show the greatest love thatâ€™s known

The only word that I can bring  
Are these very words I sing  
I sing to You now

[Chorus]

I am so in love with You  
Thereâ€™s nothing else I choose  
Youâ€™ve stolen my heart  
Yes, Iâ€™m all for You

[Chorus]

I am so in love with You  
Thereâ€™s nothing else I choose  
Youâ€™ve stolen my heart  
Yes, Iâ€™m all for You now

[BRIDGE]

Time and time again You show  
The depth and love that You bestow  
I never fully understand  
It's too great for me to know  
But I always try to bring  
I try to bring You everything

[Chorus]

I am so in love with You  
There's nothing else I choose  
You've stolen my heart  
Yes, I'm all for you now

[Chorus]

I am so in love with You  
There's nothing else I choose  
You've stolen my heart  
Yes, I'm all for You now
