Purify this tainted soul
I'm tired of living life a fool
Soften up this hardened clay
To be a servant, this I pray
A reflection of You, I long to be
So Your kingdom I will seek

I surrender to Your throne
Oh, I surrender to Your throne
I will make my heart Your home
Oh, I surrender to Your throne

I've taken things I thought my own
Only to reap what I've sown
You've given back the years I fought
An ending love and grace You've brought
Eternal hope and peace You bring
And forever unto You I will sing

I surrender to Your throne
Oh, I surrender to Your throne
And I will make my heart Your home
Oh, I surrender to Your throne

Forever unto You I will sing
Forever unto You I will sing
Forever unto You I will sing
Forever unto You I will sing

I surrender
I surrender
I surrender, now
Oh, I surrender
And I surrender
And I surrender, now
Oh, I surrender
I surrender
I surrender
Oh, I surrender
I surrender
I surrender, now

Soften Up this hardened clay
To be a servant, this I pray.
