I try to hold on to this world with everything I have
But I feel the weight of what it brings, and the hurt that
tries to grab

The many trials that seem to never end, His word
declares this truth

That we will enter in this rest with wonders anew

But I hold on to this hope and the promise that He
brings

That there will be a place with no more suffering

There will be a day with no more tears

No more pain, and no more fears

There will be a day when the burdens of this place

Will be no more, we'll see Jesus face to face

But until that day, we'll hold on to you always

I know the journey seems so long

You feel you're walking on your own

But there has never been a step

Where you've walked out all alone

Troubled soul don't lose your heart

Cause joy and peace he brings

And the beauty that's in store

Outweighs the hurt of life's sting

But I hold on to this hope and the promise that He
brings

That there will be a place with no more suffering

There will be a day with no more tears

No more pain, and no more fears

There will be a day when the burdens of this place

Will be no more, we'll see Jesus face to face

But until that day, we'll hold on to you always

I can't wait until that day where the very one

I've lived for always will wipe away the sorrow that I've
faced

To touch the scars that rescued me from a life of

shame and misery
O, this is why, this is why I sing

There will be a day with no more tears
No more pain, and no more fears
There will be a day when the burdens of this place
Will be no more, we'll see Jesus face to face

There will be a day with no more tears
No more pain, and no more fears
There will be a day when the burdens of this place
Will be no more, we'll see Jesus face to face

There will be a day he will wipe away the tears
He will wipe away the tears
He will wipe away the tears
There will be a day
