In this time  
I know I need to be more broken  
And then I find  
I feel this passion grow

To face all that's been lost  
It's not too late to give control now  
I don't know why I wait  
You're always calling me

Tonight, I will take my cross  
Tonight, I will count this cost  
Tonight, I realize  
To take hold of this very moment

In this time  
You draw me by these words You've spoken  
I feel inside  
This never ending hope

I've placed all that I trust  
In knowing one day I will see You  
The only thing worth holding onto  
Is holding onto me

Tonight, I will take my cross  
Tonight, I will count this cost  
Tonight, I realize  
To take hold of this very moment

Oh, I will take this moment  
And I feel that it's closer  
And I kneel to show You  
This desperate heart of mine

Tonight, I will take my cross  
Tonight, I will count this cost  
Tonight, I realize  
To take hold of this very moment

Tonight, I will take my cross  
Tonight, I will count this cost

Tonight, I realize  
To take hold of this very moment

Tonight  
Tonight
