we cry out

verse 1

anthems fill the skies with praise
all your mighty works displayed
your glory, they tell of your glory

we who've called upon your name
cannot be silent, we will praise
we'll sing it out, oh we will sing it out

for we have seen the greatness of your glory be
revealed
and we have seen all that you've done and we cannot
be still

we will cry out to you
your loving kindness and your truth
it has delivered us, you have delivered us
great is your glory lord, when nations learn of your
ways
they will bow down to you, we will bow down to you

verse 2

into all the world we take the mystery of your saving
grace

to shine the light into the darkness
for we have seen the greatness of your glory be
revealed
and we have seen all that you've done and we cannot
be still

we will cry out to you
your loving kindness and your truth
it has delivered us, you have delivered us
great is your glory lord, when nations learn of your
ways
they will bow down to you, we will bow down to you

we will cry out to you, oooooooh we will cry out to you
you have delivered us

great is your glory lord, when nations learn of your
ways
they will bow down to you, we will bow down to you
we will cry out

great is your glory lord!
