Into the heart of the darkest places
Into the lost and the lonely spaces
Bringing the hope and the life You've given
I'll move cause You move me

Into the lives of forgotten children
Showing the love they were never given
Open my eyes to the world I don't see
Show me cause I know...

We need, a heart for the hopeless, reaching
The places unspoken, move me Lord
Raise up, a desperate people, leading
The lost and feeble, use me Lord
Use me Lord

Give me a fire that's always burning
Every desire for You is stirring
I am alive now to show Your glory
I'll move cause You move me

Into the light when Your love is shining
Only by faith with Your Spirit guiding
Open my eyes to the world I don't see
Show me cause I know...

We need, a heart for the hopeless, reaching
The places unspoken, move me Lord
Raise up, a desperate people, leading
The broken and feeble, use me Lord
Here I am, use me Lord

We need to wake up
We need to raise up
Cause I will never stand still, Lord keep me moving,
moving

We need, a heart for the hopeless, reaching
The places unspoken, move me Lord
Here I am, use me Lord
Raise up, a desperate people, leading

The broken and feeble, use me Lord
Here I am, use me Lord

We need, a heart for the hopeless, reaching
The places unspoken, use me Lord
Use me Lord
Raise up, a desperate people, leading
The broken and feeble, use me Lord
Here I am, use me Lord
