I've been here a thousand times before
Face down on the floor
Wondering how I even reached this place again
But You have shown so endlessly
How Your love pours over me
No picture can re-create the beauty that I see

Show me what it means
To live my life a sacrifice
If only I would realize
How much it took to pay the price
I know I'd always give everything to You

I want this world to always see
Your perfect Majesty
Reflecting from my life this brilliant poetry
Written all over this place
The signs of all creation that You breathed
Words can't even state how much You mean to me

Show me what it means
To live my life a sacrifice
If only I would realize
How much it took to pay the price
I know I'd always give everything to You

I want to face my very crime
Of not giving all of mine
But I can feel the hope You bring to me

And show me what it means
To live my life a sacrifice
If only I would realize, yeah
How much it took to pay the price

Show me what it means
To live my life a sacrifice
If only I would realize
How much it took to pay the price
I know I'd always give everything to You
