VERSE 1:

(A) Well, there's a cold wind blowin' through my (D)
window
As I (A) sit and I stare out at the (E) rain
Ya' know, she (A) always swore she'd never (D) leave
me
(A) Well, tonight she's (E) leavin' on a (A) train

CHORUS:

And (D) tonight that ol' train will (A) take her far away
From our love and our Oklahoma (E) home
And (D) I'll be a wishin' I'd (A) begged her to stay
'Cause (E) tonight I'll be (D) sleepin' all (A) alone

INSTRUMENTAL

VERSE 2:

(A) Well, she's takin' all the love we've had (D) between
us

But (A) somehow she's left me all the (E) pain
Ya' know, she (A) always swore she'd never (D) leave
me
(A) Well, tonight she's (E) leavin' on a (A) train

CHORUS:

And (D) tonight that ol' train will (A) take her far away
From our love and our Oklahoma (E) home
And (D) I'll be a wishin' I'd (A) begged her to stay
'Cause (E) tonight I'll be (D) sleepin' all (A) alone
Well, (D) I'll be a wishin' I'd (A) begged her to stay
'Cause (E) tonight I'll be (D) sleepin' all (A) alone
