World won't wait forever never  
Take the time  
Don't break my heart  
Again

World wait won't forever never  
Take the time  
Don't break my heart  
Again

Though I wanna take the time  
By nature of design it's so hard  
To arrange  
So hard to explain  
Mmmm Mmmm  
Mmmm Mmmm Mmmm

Moment  
A way beyond  
Your heartache  
No time for our love  
Your moment a way beyond  
Your heartache  
No time for our love

World won't wait forever never  
Take the time  
Don't break my heart  
Again

World won't wait forever never  
Take the time  
Don't break my heart  
Again

Though I wanna take the time  
By nature or design  
It's so hard to arrange  
So hard to explain  
Been running delayed beyond

Moment  
A way beyond  
Your heartache  
No time for our love  
Your moment a way beyond  
Your heartache  
No time for our love  
No time for our love  
No time for our love
