Hey.. oh oh.. oh baby!

I can't take it when you teased this heart of mine, you
got me tripped in 'cause straight up baby you're so
fine... everywhere you go the fellas all stop and stare,
just say the word girl and i'll
Ere..

Chorus: 'cause I can't help the things I do, girl you got it
goin' on..hey.. baby I just wanna get with you, girl you
got it goin' on..oh.. yeah, goin on yeah..

Soending dollars just to pleased you everyday, and
nothing girl 'cause sometimes it's just be that way,
everybody says I'm acting just like a fool, but all this
sparin' lovin, I love you...

I can't help the things I do (yeah baby) girl you got it
goin' on..oh baby I just wann get with you, you got it
goin on..

Things turn around, take a look us now, the love we
found together, when I see you with somebody else,
startin' make a fool of myself, can nobody love you
baby.....

Girl you got it goin on.. (you got it goin on) and baby I
just wanna get with you.. you got it goin' on..

Oh I love the you hug, and I love the you love, I love the
way you show your hair, baby, you got it goin' on, oh I
love the way you wear, your hair, and I love the you
make me stare, I love the
Ou make me do, what you want me to do even if I
don't..i love the way you walk, and I love the way you
talk, I love the way you do what you do, you got it goin'
on.. hey yey...

I just can't help myself, I wanna get with you, you got it
goin' on yeah.. (4x)
