Oh yeah... baby.. yeah.. yeah..baby.. I want....

When she walked right by, I cannot deny her attraction,
was more than I could stand.. should I stop and stare.. I
cannot ignore, should I speak or just let it go...

I don't even know her name, but she had me when she
looked in my eyes.. should I lay it on the line or would it
be a waste of time...

Chorus: I wanna be with you (hey) I wanna make you
mine (mine) I wanna give all my time (I wanna give you
all of my time) if you will let me know (let me know) if
this the kind of sign , that th
Traction is newly found.. come on baby don't you know
you got me sayin'

Hey... I want your lovin..

She didn't realized, or wishin made me feel inside, I
wonder if you feeling it too... gotta take my time, don't
wanna put a rush in her.. 'cause if I do, it maybe too
soon.. oh yeah..

I've gotta get to know that girl, if it's the last thing that
I'd do.. I wonder if there's someone special, 'cause if
not, may be I could be the one...

Hey.... hey... hey..... baby

Girl you didn't realized..when you looked in to my
eyes....etc
