She's my polyrhythm
Carryin my heart like the beat
So fast I can't keep up
My prayers sing the melody

She runs guns everyone wants guns
She runs guns everyone wants there she goes
She runs guns everyone wants guns
She runs guns everyone wants there she goes

Why you wanna save me?
Lord my soul is taken

Doo doo doo doo doo doo

She cried, I cried so hard
Left her for the LRA
Fly by like a million hornets
These bullets know my name

She runs guns everyone wants guns

She runs guns everyone wants there she goes
She runs guns everyone wants guns
She runs guns everyone wants there she goes

Doo doo doo doo doo doo

I done too much damage
Got nothing left to feel
My self is broke and bandaged
Her love is a scar that never heals

Why you wanna save me?
Lord my soul is shaken
Why you wanna save me?
Lord my soul is taken

Doo doo doo doo doo doo

I'm so lonely?
