"Falling Forever"

baby i
keep coming to find you
cause girl i
keep falling without you
don't know why
don't know why i allow you
to take my heart and use it
don't know why i let you do it to me

i hate to close my eyes
cause i know i'm only dreaming about you
about you
and i don't wanna let you go
but gravity is not an option without you
without you
girl

cause i keep falling
falling forever
i keep falling
falling forever
day or night
now and forever
falling
cause i keep falling
falling forever
i keep falling
falling forever
day or night
now and forever

baby i'm falling
forever
i'm falling
i'm falling
forever

baby i
was living to find you
but now i oh
i'm just dying without you

and everytime i put my heart on the line
you just blow it away
so afraid of living without you
living without you
i'm living without you now

cause i keep falling
falling forever
i keep falling
falling forever
day or night
now and forever
falling
cause i keep falling
falling forever
i keep falling
falling forever
day or night
now and forever

baby i'm falling
forever
i'm falling
i'm falling
forever
forever
forever

cause i keep falling
falling forever
i keep falling
falling forever
day or night
now and forever
falling
cause i keep falling
falling forever
i keep falling
falling forever
day or night
now and forever
