Mhmm,  
There you are,  
Inches away,  
Yeah yet so far,  
Mhmm,  
Is this the end,  
We can't be done,  
Cause we just began,

So here I am wondering,  
If I'm losing the only thing I got going,  
Yeah, will we see a better day,  
Oh we better come run away,  
Right now all I can do is pray,

That it's just a phase,  
That makes you say,  
The things that you say,  
So easily,  
If it's just a phase,  
That made us this way,  
I hope that we get over it,  
Hey, if it's just a phase,

When we first met,  
I could bet, that I'd never sing this song,  
Boy was I wrong, never been there before,  
And I'm not trying to go,  
Living without you girl,  
No,

So here I am wondering,  
If I'm losing the only thing I got going,  
Yeah, will we see a better day,  
Oh we better come run away,  
Right now all I can do is pray,

That it's just a phase,  
That makes you say,  
The things that you say,  
So easily,

If it's just a phase,  
That made us this way,  
I hope that we get over it,  
Hey, if it's just a phase,

Oh how I would love to think that,  
It's just a phase,  
But the truth is that we won't know,  
Until the day,  
That we roll over and die,  
Unless we stay together girl,

I hope it's a phase,  
That makes you say,  
The things that you say,  
So easily,  
If it's just a phase,  
That made us this way,  
I hope that we get over it,  
Hey, if it's just a phase
