Girl if I told ya (uh huh)  
That it was easy (uh huh)  
Would you believe me (uh huh)  
Girl would you believe me (uh huh)  
And all ya take from me (uh huh)  
Would you be cool  
If we were to do it again  
By the rules

You shouldn't do anything that I let you  
Make a decision that your heart won't admit to  
Girl you know what it was when I met ya  
This shouldn't be anything to regret to

You should of never put it all on the table  
Gamblin' with your heart on the line  
You double down now that nothing can save you  
I'm gonna take you for everything you got  
Whoa-oh-oh

I'd rather kill you then to tell you the truth, yeah  
Whoa-oh-oh  
I'd rather kill you then to tell you the truth, yeah  
Whoa-oh-oh

Don't want to be a murder  
Don't want to be a murder  
Don't want to be a murder  
Don't want to be a murder

I think you're crazy, baby (uh huh)  
Out of your mind (uh huh)  
To stick around, baby (uh huh)  
Just wastin' time (uh huh)  
I'll never change girl (uh huh)  
Not for the world  
I'll just do it all again, yeah  
To another girl  
You shouldn't do anything that I let you  
Make a decision that your heart won't admit to  
Girl you know what it was when I met ya  
This shouldn't be anything to regret to

You should of never put it all on the table  
Gamblin' with your heart on the line  
You double down now that nothing can save you  
I'm gonna take you for everything you got  
Whoa-oh-oh

I'd rather kill you then to tell you the truth, yeah  
Whoa-oh-oh  
I'd rather kill you then to tell you the truth, yeah  
Whoa-oh-oh

Uh huh, uh huh, uh huh, uh huh

You should of never put it all on the table  
Gamblin' with your heart on the line  
You double down now that nothing can save you  
I'm gonna take you for everything you got  
Whoa-oh-oh

I'd rather kill you then to tell you the truth, yeah  
Whoa-oh-oh  
I'd rather kill you then to tell you the truth, yeah  
Whoa-oh-oh

Don't want to be a murder  
Don't want to be a murder  
Don't want to be a murder  
Don't want to be a murder

Be a murder, be a murder  
Don't, be a murder, be, be a murder
