I will go through all give up my life for you
Take out my heart on a plate for you
Coz I aint going away

I would go up the heavens
Take the stars rightt out of the sky
...
Coz I aint going away

Coz I do't want you to leave me
So I beg you to stay
And baby the aint nothing
That I wouldn't say
So when ever your lonely
I've waited right on your mind
Just pick up the phone baby
Coz I will come away

And I still remember when I met you
I told myself I couldnt get you
That I had you, that I lost you
...

I would go up the heavens
Take the stars rightt out of the sky
...
Coz I aint going away

Coz I do't want you to leave me
So I beg you to stay
And baby the aint nothing
That I wouldn't say
So when ever your lonely
I've waited right on your mind
Just pick up the phone baby
Coz I will come away

[Girl on phone]

Girl I do't want you to leave me
So I beg you to stay

And baby the aint nothing
That I wouldn't say
So when ever your lonely
I've waited right on your mind
Just pick up the phone baby
Coz I will come away
