Yeah yeah, Let's Go.

I said I wrote this song for you.
I said I wrote this song for you, you. (Ooh, ooh ooh,
ooh!) [2x]
I said I wrote this song for.. [x2]
I said I wrote this song for you.
I said I wrote this.. wrote this.. wrote this..

Baby girl bad she up out of teen
Everybody looking at her when she walk in
Heads turnin' this way and that way (Yeah, yeah,
yeah..) (Oh x4)
She said she got a man
But I don't understand
At why they let her go to the club like this
I'm making it my business, I'm giving you da business.
(Yeah, yeah, yeah..) Ohhh

And I can't.. get her out my H-E-A-D think I'm goin'
crazy.
No way is she goin' anywhere cause I can't get her
outta my brain..
outta my brain, outta outta my brain, outta my brain.
No matter how hard I try, she's always on my mind.
Can't get her outta my brain, outta my brain.
outta outta my brain, outta my brain.
No matter how hard I try, she's always on my mind.

Shawty got swag, she ain't gotta brag.
And can't nobody tell her she ain't da shit.
I think about her all the time, wanna make her mine.
I wanna make her mine. (Oh, oh, oh, oh..) [x2] Yeah,
yeah.
I gotta get her or I think I'm gonna lose it.
But she can't hear me cause she's movin' to the music.

Do it, Shawty do it, just do it, do it.. d-d-d-do it.

And I can't.. get her out my H-E-A-D think I'm goin'
crazy.
No way is she goin' anywhere cause I can't get her

outta my brain..
outta my brain, outta outta my brain, outta my brain.
No matter how hard I try, she's always on my mind.

Can't get her outta my brain, outta my brain.
outta outta my brain, outta my brain.
No matter how hard I try, she's always on my mind. [x2]

Outta my brain (Woah oh..) [x2]
Outta my brain, Get outta my brain, get outta my brain.

And I can't.. get her out my H-E-A-D think I'm goin'
crazy.
No way is she goin' anywhere cause I can't get her
outta my brain..
outta my brain, outta outta my brain, outta my brain.
No matter how hard I try, she's always on my mind.

Can't get her outta my brain, outta my brain.
outta outta my brain, outta my brain.
No matter how hard I try, she's always on my mind. [5x]
Outta, outta, outta my brain.

Outta my brain, eh.. get outta my brain.
Nooo.. eh.. eh.. [6x]
