i cant see the future  
i only know the past  
came feed u the answer  
got a question then just ask  
everythings complicated  
i just dont udnersatnd

to comprehend [comprehend]  
i get so confused when i look at u  
and you kno me why  
are u hiding things  
wont u tell me what it is

just say, what u really need to say  
i need to know baby  
cuz im not a psychic  
and i dont do magic  
and i cant read your mind  
so just say what u really want to say  
if theres something wrong  
cuz im not a psychic  
?  
the stars are all aligned

no i dont see an incident  
in the palm of your hand  
i need to kno the truth  
where do we stand

you got the esp  
girl i kno u feel the static  
between u and me  
i get so confused when i look at u  
and you kno me  
why are u hiding things

wont u tell me what it is.

i need to know baby  
cuz im not a psychic  
and i dont do magic  
and i cant read your mind  
so just say what u really want to say  
if theres something wrong  
cuz im not a psychic  
?  
the stars are all aligned
