baby tonight is the night
I can feel it, feel it, feel it
got my crew caught it girls
and let's do it, do it, do it

pop the champagne hold your glass up glass up
tonight ohh
don't yo hesitate, hesitate to celebrate tonight

you're the spot light all around you
and the energy surround you tonight, tonight tonight
when you know the sound has got you
and is nothing that's gonna stop us tonight no

Chorus:

'cause baby tonight is the night
on the dance floor
and baby tonight I ..don't touch the floor
and baby tonight is the night on the dance floor
cause baby tonight I feel don't touch the floor
don't touch the floor

baby tonight is the night take it stupid
left ..right to left keep it movin movin
..the champagne hold your glass up tonight
don't you hesitate, hesitate celebrate tonight

you're the spot light all around you
and the energy surround you tonight, tonight tonight
when you know the sound has got you
and is nothing that's gonna stop us tonight no

Chorus:

'cause baby tonight is the night
on the dance floor
and baby tonight I ..don't touch the floor
and baby tonight is the night on the dance floor
cause baby tonight I feel don't touch the floor
don't touch the floor
don't touch the floor
