French kiss so fine
I didn't know one kiss
Could blow my mind
French kiss so true
You lost yourself in me
Now i lose myself in you

I never did see it coming
I never been kissed like that before no no no
And now i can't stop myself from tripping on you
Girl i just wanna kiss you more

French kiss so fine
I didn't know one kiss
Could blow my mind
French kiss so true
You lost yourself in me
Now i lose myself in you

All i wanna do is kiss kiss kiss
All i wanna do is kiss like that
All i wanna do you make me feel so fine
It's all i wanna do all of the time

We used to just hang out together
(it's true baby girl)
But it can't be like it was before no no no
Some about your eyes and the way that you smile
You were my best friend but now you're so much more

French kiss so fine
I didn't know one kiss

Could blow my mind
French kiss so true
You lost yourself in me
Now i lose myself in you

All i wanna do is lips lips lips
All i wanna do is trip on this
All i wanna do is let it flow
Not too fast not too slow

All i wanna do is kiss kiss kiss
All i wanna do is kiss like that
All i wanna do you make me feel so fine
It's all i wanna do all of the time

French kiss so fine
I didn't know one kiss
Could blow my mind
French kiss so true
You lost yourself in me
Now i lose myself in you

French kiss so fine
I didn't know one kiss
Could blow my mind
French kiss so true
You lost yourself in me
Now i lose myself in you

French kiss so fine
I didn't know one kiss
Could blow my mind
French kiss so true
You lost yourself in me
Now i lose myself in you
