Oh yeah, baby
Yeah, yeah, yeah, yeah, baby
[Incomprehensible]

When she walked right by, I cannot deny her attraction
Was more than I could stand, should I stop and stare
I cannot ignore, should I speak or just let it go

I don't even know her name
But she had me when she looked in my eyes
Should I lay it on the line
Or would it be a waste of time

I wanna be with you
(Hey)
I wanna make you mine
(Mine)
I wanna give all my time
(I wanna give you all of my time)

If you will let me know
(Let me know)
Give me some kind of sign
That this attraction is newly found

Come on baby
Don't you know you got me sayin'
Hey, hey, hey
I want your lovin'

She didn't realized, or wishin' made me feel inside
I wonder if you feeling it too
Gotta take my time, don't wanna put a rush in her
'Cause if I do, it maybe too soon, oh yeah

I've gotta get to know that girl
If it's the last thing that I'd do
I wonder if there's someone special
'Cause if not, maybe I could be the one

Hey, hey, hey, baby

I wanna be with you
(Hey)
I wanna make you mine
(Mine)
I wanna give all my time
(I wanna give you all of my time)

If you will let me know
(Let me know)
Give me some kind of sign
That this attraction is newly found

Come on baby
Don't you know you got me sayin'
Hey, hey, hey
Baby

You look so good
You got me saying
Hey, hey, hey

I wanna be with you
I wanna make you mine
I wanna give all my time

If you will let me know
Give me some kind of sign
That this attraction is newly found

Hey, hey, hey
You look so good
You got me saying
Hey, hey, hey

I wanna be with me
(I wanna be with you, baby)
I wanna be with me
(I've got to make you mine)
I wanna be with me
(Give me a little of your time)

I wanna be with me
(Girl, you didn't realize when you looked in my eyes)
I wanna make you mine
I wanna get you all my time

If you will let me know
If you need some kind of sign
This attraction is newly found

Hey, hey, hey

You look so good
You got me saying
Hey, hey, hey
