Hello baby, just in case you didn't know  
My name is Jeremy Jordan

People can I get a J, then you add an E  
Like my heart got an R, now can I get an E my mind  
Now back to the J, now can I get an O  
Like my heart got an R and yo, can I have a D A N?

All the fellas grab a girl, with the biggest behind  
And if your dancin' at a party make sure she knows how  
to grind  
If she doesn't have a girlfriend, I know she won't mind  
My name's Jeremy Jordan, come on everybody let's  
unwind

People can I get a J, then you add an E  
Like my heart got an R, now can I get an E my mind  
Now back to the J, now can I get an O  
Like my heart got an R and yo, can I have a D A N?

All the girls grab a guy, their bones hangin' real low  
Grab a black or a white one, it don't matter how they let  
you low  
Make sure get a thunder, make sure it ain't wrong  
My name's Jeremy Jordan, come on everybody sing my  
song

People can I get a J, then you add an E  
Like my heart got an R, now can I get an E my mind  
Now back to the J, now can I get an O  
Like my heart got an R and yo, can I have a D A N?

I'll be slow, hey ya'll the J is here, so have no fear  
Jeremy Jordan is the name, 73 is the year  
Chicago born, break and torn, try to step to him  
You've all been warned

People can I get a J  
To the E R E M Y J O R D A N  
Don't even try, Nikey knock physical  
Or best believe that he can do it  
Some on girl friend let him run

People can I get a J, then you add an E  
Like my heart got an R, now can I get an E my mind  
Now back to the J, now can I get an O  
Like my heart got an R and yo, can I have a D A N?

People can I get a, people can I get a J  
People can I get a J, people can I get a  
People can I get a

My name is Jeremy Jordan

People can I get a, people can I get a  
People can I get a J, then you add an E  
Like my heart got an R, now can I get an E my mind  
Now back to the J, now can I get an O  
Like my heart got an R and yo, can I have a D A N?
