I had a thought that I never could catch her
holding you and holding back
I held you tight and you brokenly shattered
and I was watching while you cracked.

The day at the lake when I made funny faces
and then we laughed so hard it hurt
now I'm a ghost floating and shapeless
trying to come back down to Earth.

And I'll come back down
I'll come back down
I'll come back down eventually.

I've made mistakes and I've blown second chances
there's some things I can't reverse
but I don't want no minin romances
I want to love you till you burst.

So many nights I'm gonna love you to pieces
the only way that I know how
I've got a hunch that you just want to leave me
I'm gonna love you till you burst.
