Where are we going to go today?  
Back to where the streets started fool

We bring it like the mouse Ratoutille  
Don't be a good two shoey

Miley Cyrus  
We all buy this  
Disney loves this  
We all love these chicks

Let's go to Supre  
We have no say on clothes that don't fit us  
Cuz it's worn by sluts

We all buy stuff by Duff yeah

Step up to the streets  
Sorry for the leak that I like Andie West  
I think she's the best  
I would hit her with a paddle cuz I think that's pretty  
raddle

I like starwars  
but we want more  
So give us more  
Let's rock it out ya'll
