Everybody knows their bones
Just had to find a way
Everybody knows what I'm talking about
That's how I'll get an "A"

My body's many parts
And this is where it starts
Feleji's I have ten
And then the Tursils then
I got some Tursils too
I'll put them in my shoe

The Filiba is next
According to my text
Then comes the Tibia
That ain't no "fib"-ia
And now I'm up to my knee
Yeah yeah yeah
The stuff you tell it to me

[Chorus]
We're doin' the bone dance

You study the answers
Again and again 'til I get it right
We're doin' the bone dance
You dance and you learn

And now I take it home
With the Burato bone
It might be crazy
But we learn that way

Temple is frontal too
And now we're finally through
That makes two-hundred-and-six
I found a way to this

[Chorus]

You dance until you learn it
And we won't mess up this test

We'll get a perfect score
