[Verse 1]

I don't wanna go there  
We should never go there  
Why you wanna go there  
I guess I gotta go there

[Pre-Hook]

You're hearing rumors about me  
And you can't stomach the thought  
Of someone touching my body  
When you so close to my heart  
And I won't deny what they saying  
Because most of it is true  
But it was all because I fell for you

[Hook]

So please babe  
So please don't judge me  
And I won't judge you  
Cause it could get ugly  
Before it gets beautiful  
Please don't judge me  
And I won't judge you  
And if you love me  
Then let it be beautiful  
Let it be beautifu-u-ul, let it be beautiful  
Let it be beautifu-u-ul, let it be beautiful

[Verse 2]

Everything I say right now  
Is gonna be use in another fight  
And I've been through this so many times  
Can we change the subject  
You gonna start asking me questions like:  
"Was she attractive? Was she an actress?"  
Baby the fact is

[Pre-Hook]

You're hearing rumors about me  
And saw some pictures online  
Saying things, got you so angry

Making you wish you were mine  
Before we start talking crazy  
Saying some things we'll regret  
Can we just slow it down and press reset

[Hook]

[Bridge]  
Just left the past  
Just be the past  
And focus on things  
That are gonna make us laugh  
Take me as I am, love who I was  
I'll promise I'll be, the one that you can trust

[Hook]

I don't wanna go there  
We should never go there
