You know
It's hard to say
My feelings change
But I cant look away
Alright do your things
I can't be what you need
Cause it's not up to me
But you
Don't wanna believe it
There's so much to hide

So much try
So much to try
Something ain't right
And I don't know
How to fix it
Don't waste your time
I promise I
Don't want to lie
Anymore, anymore, ohh

Cause love
Is just
A game you play
But sometimes you lose
Don't know what else
I can say
To get it through
Girl sometimes
It might be tough
When I say

I love you but
I love you
Love you
Love you
Love you
Love you but
I love you
Love you love
You love you
Love you but

I see you start to cry
But I don't move
You see it in my eyes
I'm over you
I guess we in too deep
And now
I'm losing sleep
But you keep trying
To make this work

There's so much to hide
So much to try
Something ain't right
And I don't know
How to save it
Don't waste your time
I promise
I don't want to lie
Don't want
To lie anymore
Cause love
Is just
A game you play
But sometimes you lose
Don't know what else
I can say
To get it through
Girl, sometimes
It might be tough, oh
When I say
I love you but

I love you
Love you
Love you
Love you
Love you but
I love you
Love you
Love you
Love you
Love you but

But I
Can't be honest
I can't
When I'm with you
And I don't want
To think
It for once

I'm telling you
The truth
How can I do this
I try
To stick it through
I try, I try, I try
But I don't love you

Cause love
Is just
A game you play
But sometimes you lose
Don't know what else
I can say
To get it through
Girl, sometimes
It might be tough
(It might be tough)
When I say

I love you but
I love you
Love you
Love you
Love you
Love you but
I love you
Love you
Love you
Love you
Love you but
I love you
Love you
Love you
Love you
Love you but
(I'm so sorry)
I love you
Love you
Love you
Love you
Love you but
It's over
