Turn on that radio  
As loud as it can go  
Wanna dance until my feet can't feel the ground  
Say goodbye to all my fears  
One good song, they disappear  
And nothin' in the world can bring me down

Hand clappin'  
Earth shakin'  
Heart breakin'  
There's no fakin'  
What you feel  
When you're right at home, yeah

Music's in my soul  
I can hear it  
Everyday and every night  
It's the one thing on my mind  
Music's got control  
And I'm never letting go, no, no  
I just wanna play my music  
(Woo! )  
(Music)

Got my six string on my back  
Don't need anything but that  
Everythin' I want is here with me  
So forget that fancy car  
I don't need to go that far  
What's driving me is following my dreams, yeah

Hand clappin'  
Earth shakin'  
Heart breakin'  
There's no fakin'  
What you feel  
When you're on a roll, yeah

Music's in my soul  
I can hear it  
Everyday and every night  
It's the one thing on my mind

Music's got control  
And I'm never letting go, no, no  
I just wanna play my music  
I just wanna play my music

Can't imagine what it'd be like  
Without the sound of all my heroes  
Singin' all my favorite songs  
So I can sing along

Music's in my soul  
I can hear it  
Everyday and every night  
It's the one thing on my mind  
Music's got control  
And I'm never letting go, no, no  
I just wanna play my music

Music's in my soul  
I can hear it  
Everyday and every night  
It's the one thing on my mind  
Music's got control  
And I'm never letting go, no, no  
I just wanna play my music  
All night long  
YEAH!
