Iâ€™m good at wasting time  
I think lyrics need to rhyme  
And youâ€™re not askinâ€™...  
But iâ€™m tryna grow a moustache!  
I eat cheese.  
But only on pizza, please  
And sometimes on a home-made quesadilla  
Otherwise, it smells like feet to me!  
And I, I really like it  
When the moon looks like a toenail  
And i love it when you say my name...  
If you wanna know,  
here it goes,  
gonna tell you this  
Part of me that shows,  
If weâ€™re close,  
Gonna let you see  
everything, but remember that you asked for itâ€™  
Iâ€™m tryna do my best to impress  
But itâ€™s easier to let you take a guess  
Said the rest, but you wanna hear what  
Lives in my brain...  
My heart...  
Well you asked for it!  
For youâ€™re perusinâ€™  
At times confusinâ€™  
Slightly amusinâ€™  
Introducing me!  
do-do  
do-do, do-do-do  
do-do  
do-do, do-do-do  
la-da-da-da  
la-da-da  
da-da, da-da-da  
da!  
I never trust a dog to watch my food  
And I like to use the word dude  
As a noun, or an adverb, or an adjective!  
And i, i never really been into cars  
I like really cool guitars and superheros  
And checks with lots of zeros on them

I love the sound of violins  
And makin' someone  
smile....  
If you wanna know,  
here it goes,  
gonna tell you this  
Part of me that shows,  
If we're close,  
Gonna let you see  
everything, but remember that you asked for it!  
I'm tryna do my best to impress  
But it's easier to let you take a guess  
Said the rest, but you wanna hear what  
Lives in my brain...  
My heart...  
Well you asked for it!  
For you're perusin'  
At times confusin'  
Possibly amusin'  
Introducing me!  
Well, you probably know more than you ever wanted to  
So, be careful when you ask  
Next time....  
so, If you wanna know,  
here it goes,  
gonna tell you this  
A part of me that shows,  
If we're close,  
Gonna let you see  
everything, but remember that you asked for it!  
I'm tryna do my best to impress  
But it's easier to let you take a guess  
Said the rest, but you wanna hear what  
Lives in my brain...  
My heart...  
Well you asked for it!  
For you're perusin'  
At times confusin'  
Hopefully amusin'  
Introducing me!  
do-do, do-do  
do-do-do  
do-do, do-do  
do-do-do  
do-do, do-do

Introducing me!
