yeah

First stop, hit the groove, let the music play

Next stop everybody, its time to celebrate

Here we go so let your flow show

Make the dreams you got become real

Let's do this, let me hear you now

Show me how you feel

Let's start, start, start the party

C'mon, c'mon everyone

Let's start, start, start the party

What'cha waiting for now?

Start, start, start the party

C'mon, c'mon live it up

Let's start, start, start the party

I know you never gonna wanna stop

Stand up and do the dance

The way you do

I...I can see all the crowd

On the dance floor with this groove oh

Here we go so let your flow show

Like you never ever did before

Let's do this, let me hear you say

More, more, more

Let's start, start, start the party

C'mon, C'mon everyone

Let's start, start, start the party

What'cha waiting for now?

Start, start, start the party

C'mon, c'mon live it up

Let's start, start, start the party

I know you never gonna wanna stop

Let the music take us, to paradise,

Let's close our eyes

Feel the groove, wanna shake us

Everywhere and everybody

Turn it up, let's start the party

We got it rolling, never slowing down
Lights, camera, action, start the party now
I know your ready
There's no need to wait-oh no
Now's the time for us to celebrate

Start, start the party (Let's do it)
Start, start the party (Everybody now)
Start, start the party (Let's get to it)
Start, start the party

Let's start, start, start the party
C'mon, c'mon everyone
Let's start, start, start the party
What'cha waiting for now?
Start, start, start the party
C'mon, c'mon live it up
Let's start, start, start the party
I know you never gonna wanna stop

Let's start, start, start the party
C'mon, c'mon everyone
Let's start, start, start the party
What'cha waiting for now?
Start, start, start the party
C'mon, c'mon live it up
Let's start, start, start the party
I know you never gonna wanna,
Come now let me hear you holler,
Party's never,ever gonna stop
