This Is Me lyrics

CAMPROCK

I've always been the kind of girl
that hid my face
so afraid to tell the world
what I've got to say
But I have this dream
Bright inside of me
I'm gonna let it show
it's time
to let you know
to let you know

(chorus)

This is real, this is me
I'm exactly where I'm supposed to be, now
gonna let the light shine on me
now I've found who I am
there's no way to hold it in
no more hiding who I wanna be
this is me

Do you know what it's like
to feel so in the dark
to dream about a life
where your the shining star
even though it seems
like it's too far away
I have to believe in myself
it's the only way

(chorus)

This is real, this is me
I'm exactly where I'm supposed to be now

gonna let the light shine on me
now I've found who I am
there's no way to hold it in
no more hiding who I wanna be
this is me

your the voice I hear inside my head
the reason that I'm singing
I need to find you
I gotta find you
your the missing piece I need
the song in side of me
I need to find you
I gotta find you

(chorus)

This is real, this is me
I'm exactly where I'm supposed to be, now
let the light shine on me
now I've found who I am
there's no way to hold it in
no more hiding who I wanna be
this is me

your the missing piece I need
the song in side of me
your the voice I hear inside my head
the reason that I'm singing

now I've found who I am
there's no way to hold it in
no more hiding who I wanna be
this is me
