(Oh God, God, more bitches)

JD - Ya know, I'm getting real sick of all these slutty ass bitches

Da Brat - I'm about sick of these dumb muthafuckas that bullshit

JD - Ya know, bitches be playin' too many games, ya know, we don't play

No games

Da Brat - Man, fuck niggas, all of ya's are dumb muthafuckas pricks

JD - Now Playas, don't cha hate when a girl try to make ya wait

When ya know deep down she wanna get down

But she keep talkin' you to death and playin' around

Da Brat - Now Ladies, don't cha hate when a nigga try to fuck on the

First date

Thinkin' that we mean yes when we say no

And they ain't spend no dough, nigga all that's got to Go

[Da Brat]

It's funny how niggas get a bitch bent, and wanna fuck till there stiff

Dick get lift

Gotta pay for my shit, my grit, my six, love me like I love a dog with

Interest

I don't flaunt for no broke nigga with garnet, if his heart's in it

Start spinnin'

Keep me grinnin' with that shit, we could fuck till the springs pop on

The mattress

The fact is I'ma flat bitch, I show that, you muthafuckas
would love to
Hit 'em in bed, no doubt
Some of ya'll give head too quick, in the bed too quick,
first think of
Them chest then
If he leave you, you could still grieve through the weak
with a few G
Snacks, easy
If it's me you wanna get at, I'm with that, invest in some
pussy ass
Grit at
JD - Now Playas, don't cha hate when a girl try to make
ya wait
When ya know deep down she wanna get down
But she keep talkin' you to death and playin' around
Da Brat - Now Ladies, don't cha hate when a nigga try
to fuck on the
First date
Thinkin' that we mean yes when we say no
And they ain't spend no dough, nigga all that's got to
Go
[JD]
It's funny how bitches get a nigga bent, tryin' to act so
god damn
Innocent
With all that shit ya'll put us through when ya'll know
ya'll want it as
Bad as we do
I'm one of the few that could see through shit, I don't
do shit til' we
Do shit for rich, bitch
For the tricken' ain't nothing, if I trick, somebodies
fuckin'
I'ma playa, I show that and what I do don't stop, know
that
See a lot of ya'll trick and get got, not me, if I trick I get
head on
The spot
On the bed, in the drop, on the elevator all the way to
the top
See it tastes good, don't it? - So why the fuck ya'll front
when ya know
Ya want it
JD - Now Playas, don't cha hate when a girl try to make
ya wait
When ya know deep down she wanna get down
But she keep talkin' you to death and playin' around
Da Brat - Now Ladies, don't cha hate when a nigga try
to fuck on the
First date

Thinkin' that we mean yes when we say no
And they ain't spend no dough, nigga all that's got to
go
[LaTocha Scott of Xscape]
When I need the money, I know who to hit
When I make the call, ya better jump to it
I'm tired of ya'll acting like God on it
'cause when I call, you jump jump jump to it
JD - Now Playas, don't cha hate when a girl try to make
ya wait
When ya know deep down she wanna get down
But she keep talkin' you to death and playin' around
Da Brat - Now Ladies, don't cha hate when a nigga try
to fuck on the
First date
Thinkin' that we mean yes when we say no
And they ain't spend no dough, nigga all that's got to
go
