{Wednesday 4:20 p.m
Don't you fuckin' hang up on me
Who the fuck do you think you are?
You know who the fuck your hangin' up on?
Don't fuckin' hang up on me
I'm sick of these bitches, man
Wednesday 8:20 p.m
Jermaine, where are you?
Oh God, God mo' bitches }

You know I'm gettin' real sick of all these slutty ass
bitches
I'm about sick of these dumb motherfuckers on bullshit
Well, you know bitches be playin' to many games you
know
We don't play no games
Man fuck niggaz all you dumb motherfuckers trip

Now playas don't you hate when the girl try to make
you wait
When you know deep down, she wanna get down
But she keep talkin' to the deaf, and playin' around
Now ladies, don't you hate
When a nigga try to fuck on the first date
Thinkin' that we mean yes when we say no
And they spend no dough, nigga all that's got to go

It's funny how niggaz get bitch then
And wanna fuck 'til their stiff dick get limb
Gotta pay for my shit, my rent, my six
Love me like a love the dough with interest
I don't flush with no broke nigga, regardless
If it's hard then it start spinnin'
Keep me grinning with phat shit
We can fuck 'til the spring pop on the mack

The fact is, I'm a fly bitch I show that
You motherfuckers would love to hit it and brat know
that
Some of y'all give head to quick in the bed to quick
First think of them chicks
Bitch if he leave you could still breathe

Through the week with a few G-stacks easy
If it's me you wanna get at I'm brit at
Invest is a pussy ass

Now playas, don't you hate when the girl try to make
you wait
When you know deep down, she wanna get down
But she keep talkin' to the deaf, and playin' around
Now ladies, don't you hate
When a nigga try to fuck on the first date
Thinkin' that we mean yes when we say no
And they spend no dough, nigga all that's got to go

Now it's funny how bitches get a nigga bent
Trying to act so god damn innocent
Wit all that shit y'all put us through
And y'all know you want it as bad as we do
I'm one of the few that can see through shit
I don't do shit 'til we do shit, rich bitch
So the trickin ain't nothing
And if I trick somebody fuckin'

Now I'm a playa I show that
And what I do don't stop, you know that
See a lot of y'all trick and get caught
Not me if I trick I get head on the spot
On the bed, in the drop
On the elevator all the way to the top
See it taste good don't it so why the fuck you frontin'
When you know you want it

Now playas, don't you hate when the girl try to make
you wait
When you know deep down, she wanna get down
But she keep talkin' to the deaf, and playin' around
Now ladies, don't you hate
When a nigga try to fuck on the first date
Thinkin' that we mean yes when we say no
And they spend no dough, nigga all that's got to go

When I need the money, I know who to hit
When I make the call you better jump to it
I'm tired of y'all acting like y'all don't trick
'Cause when I call you jump, jump, jump to it

Now playas, don't you hate when the girl try to make
you wait
When you know deep down, she wanna get down
But she keep talkin' to the deaf, and playin' around
Now ladies, don't you hate
When a nigga try to fuck on the first date

Thinkin' that we mean yes when we say no
And they spend no dough, nigga all that's got to go

Now playas, don't you hate when the girl try to make
you wait

When you know deep down, she wanna get down
But she keep talkin' to the deaf, and playin' around

Now ladies, don't you hate

When a nigga try to fuck on the first date

Thinkin' that we mean yes when we say no

And they spend no dough, nigga all that's got to go

Now playas, don't you hate when the girl try to make
you wait

When you know deep down, she wanna get down

But she keep talkin' to the deaf, and playin' around

Now ladies, don't you hate

When a nigga try to fuck on the first date

Thinkin' that we mean yes when we say no

And they spend no dough, nigga all that's got to go
