## "I Heard Them Say"

Visit "[I Heard Them Say](#)" on MotoLyrics.com

I heard 'em say  
Oh oh-oh oh oh oh  
JD you need to stop  
I heard 'em say  
Oh oh-oh oh oh oh  
I heard 'em say  
Oh oh-oh oh oh oh  
Y'all know what this is  
I heard 'em say  
Oh oh-oh oh oh oh  
So so [?]

Y'all can't miss me, without the bullshit, nigga  
I'm overhead doing what you wish you was  
Never missing the beat  
Never missing the step  
Niggas just don't do it like I does, so buzzed  
Y'all buy ten bottles of rose so baby what's up  
I ain't gonna lie to ya  
I'm in my own lane, ain't another one like me alive  
Even though I'm so ocean  
I still keep this shit south side

One for my shorties on the pole getting money now  
Two for my niggas on the block with the top down  
Can't stop now  
Cause I never did  
Y'all know me, stay on some other shit  
So baby girl who the fuck you with  
Baby girl who the fuck you with

I heard 'em say  
Oh oh-oh oh oh oh  
I heard 'em say  
Oh oh-oh oh oh oh  
I heard 'em say  
Oh oh-oh oh oh oh  
I heard 'em say  
Oh oh-oh oh oh oh

Now to me it sound like so-o-o-o so so  
Up in here bitch

Going hard  
Standing on shit  
Me and my niggers who I came here with

I got the biggest house on the biggest side of town  
Baby girl you can call me Ric Flair  
Hands in the air  
It look like to me you ain't going nowhere  
Yeah, hands in the air, and wave them all around like  
you just don't care

One for my shorties on the pole getting money now  
Two for my niggas on the block with the top down  
Can't stop now  
Cause I never did  
Y'all know me, stay on some other shit  
So baby girl who the fuck you with  
Baby girl who the fuck you with

I heard 'em say  
Oh oh-oh oh oh oh  
Talk to me girl  
I heard 'em say  
Oh oh-oh oh oh oh  
I heard 'em say  
Oh oh-oh oh oh oh  
I heard 'em say  
Oh oh-oh oh oh oh

I need everybody to report to the dance floor  
Right now  
Right now  
Right now  
I need everybody to report to the dance floor  
Right now  
Right now  
Right now  
I need everybody to report to the dance floor  
Right now
