"Money, Hoes & Power"

Visit "[Money, Hoes & Power](#)" on MotoLyrics.com

Yeah, yeah, yeah

It's the motherfuckin' infamous Pimpin' Ken

Yeah, all you motherfuckin' hoes out there misguided,
undecided

Y'all need to come on and fuck with a pimp right

Yeah, if y'all keep them suckers off ya motherfuckin'
mind

Bitch, I can keep em' off ya motherfuckin' behind

Check this out, bitch, ya understand

Y'all need to quit playin' the motherfuckin' joker

And come on and pay a motherfuckin' pimp broker

Yeah, ya know what I'm talkin' about

Yeah, let it be Pimpin' Ken for the reason

Ya understand I'll make it for the [Incomprehensible]

Know what I'm talkin' about, yeah, bitch please believe

We can put it on the dotted line, Atlanta tied

Ya know what I'm talkin' about, bitch

(Yeah)

Yeah, bitch, ya understand, tell that nigga ya
understand

You ain't missin', bitch, you ain't on no milk carton

You with pimpin', bitch, Pimpin' Ken that is

Ho, ya know what I'm talkin' about

(Yeah)

Damn my nigga take off, J.D. we doin' this shit

Ya understand, better known

As the motherfuckin' royal highness

Ya understand, ya won't find us, ya understand

And I'm feelin' hype too

(Come on)

It's that lil' College Park nigga, in fact they call me Long
Dough

Niggas hate me 'cause I'm wearin' platinum every song
go

Hoes love me 'cause I, 'cause I keep it comin' strong
and yo

I'm a pimp with mine every time I don't give a fuck who she is

Bitch, you can go get another
'Cause they love us niggas in the fast life
Niggas that can put it down
And came up with they cash right

Keep 'em, keep 'em in the mall fresh, ball every night
That's my life, I come through any time
I want to and hit that ass right up like a flashlight
Walkin' 'cause of all of my bling
(Bling)
One of the baddest motherfuckers that the game has seen

Think about it
From the first time that ya heard me
Way back in the 90s early
Me and my pimpin' out here doin' our thing in Swat

I got the money, hoes and power
We be in to see that ya cuttin', I'm all about cha'
But if ya not up to the mix, girl, I ain't trippin'
'Cause all day, all night, we steady pimpin', pimpin'

I got the money, hoes and power
We be in to see that ya cuttin', I'm all about cha'
But if ya not up to the mix, girl, I ain't trippin'
'Cause all day, all night, we steady pimpin', pimpin'

Still smokin' out, pourin' up, keep these bitches hoin' up
They break Pimp C long bread 'cause everything I touch
be blowin' up
Candy cars, I'm a star, choppin' blades, sippin' on bars
Young pimp I'm from the South, run off put that piece in
ya mouth

We Jone, fuck a clone
Keep a lil' bitch on my phone
All my cars blaze chrome
Bitch, can't leave my dick alone, alone, alone

You ain't from no Memphis, bitch
'Cause I was playin' Project Pat hittin' the switch
Puttin' the dick up in ya dame
Every time make her say my name

91, I been grippin' grain
Bitch nigga wanna steal my fame, fame, fame
I be at home smokin' dro, dro

And see a nigga doin' a dance on the video

But I'm young pimp, steak and shrimp, flyin' high like a blimp

Write my name in the sky on track
And tell the bitch to bring my money
Back, back, back, back, bitch

He talkin' directly to you

I got the money, hoes and power
We be in to see that ya cuttin' I'm all about cha'
But if ya not up to the mix, girl, I ain't trippin'
'Cause all day, all night, we steady pimpin', pimpin'

I got the money, hoes and power
We be in to see that ya cuttin' I'm all about cha'
But if ya not up to the mix, girl, I ain't trippin'
'Cause all day, all night, we steady pimpin', pimpin'

Well, if it ain't cash then I don't want it
I'm a million dollar striver, I get liver
Then the pimps that push clock punchers nine to fivers
A high diver, with mo' tricks up my sleeve than ya boy
MacGuyver

A cadaver, that'll get cha' voted off my island like
'Survivor'
Is you blind, my pimpin' only gets better with age like a
fine wine
And it's time open up yo blinds [Incomprehensible] a
pimp to shine
Decide to yo mind, design

Two steps ahead of yo slow roll
You best to get a grip on ya world, world
Or we'll put that Miracle Whip on ya, girl
Pimp her, let a trick sip on that pearl

Let her pay that is
O! sucker for love, titty baby, mama's boy
That's just the way that is

And that's the way that it's gonna be, gonna be
So ya might as well take ya lil' Heartbreak Hotel reside
Stuck in the mud, still ridin' ass off to mo' me
'Cause uh

I got the money, hoes and power
We be in to see that ya cuttin' I'm all about cha'
But if ya not up to the mix, girl, I ain't trippin'

'Cause all day, all night, we steady pimpin', pimpin'

I got the money, hoes and power

We be in to see that ya cuttin' I'm all about cha'

But if ya not up to the mix, girl, I ain't trippin'

'Cause all day, all night, we steady pimpin', pimpin'

Bounce, come on, bounce, come on, bounce

Come on, keep bouncing

Bounce, come on, bounce, come on, bounce

Come on, keep bouncing

Bounce, come on, bounce, come on, bounce
