mhhh, i'm so bored right now  
oh, i should call jermaine  
and tell him to come pick me up in the bentley  
and take us to the airport  
so we can fly on his private jet to paris  
and i could pick up these shoes i saw the other day on  
the way to the spot

Bitch you ain't bored  
you out your damn mind  
jermaine ain't pickin you up and flyin yo ass no where  
to pick up some shoes  
i'll tell you what  
you betta pick yourself up and run down to payless  
and get those shoes you saw on the way to the check  
cashin joint

oh this bitch is too funny  
i suppose you think that can of grape soda you drinkin  
is a glass of crystal too  
next thing you know  
you gon tell me lil bow wow gonna pick you up in his big  
wheel  
and to all you other day dreamers out there
