(Lil' Bow Wow)

Oh

Playboy

Uh ha, yeah

Uh ha, oh

My name is Bow Wow check me out now

(R.O.C.)

Uh-ohh, you then crossed the line

Beware of the dog is right there on the sign

You gotta muscle now, get em up and um

Put em up don't drop em

To the ceiling let, me see you get crunk bounce

Ugh, it will never be another one

Wit his style he' pound oh bow wow

From the eighteenth letter

And this Playboy representin it forever

Can't no body do it better?

Never, when-ever, where-ever, who-ever

However who-ever touch you'll never breath again ever

So whatever

I'm a pass the mic down to the B-O-W W-O-W you

You in trouble

(Lil' Bow Wow)

Uh, ain't nothing like a young cat wit his mind right

And a lime like chasing a dream

At the same time making some cream

Nickname 'Scary', cause I know how to make em  
scream

(Is that right?) Every time I'm seen, I'm full of flash

Every time I'm out pockets full of cash

And about my crew ain't no need to ask

We steady, steady keep puttin' down a smash

I was a thing thing before I be 17

I know that market folds instead of cones of ice cream.

And that's why I don't care who you are

When it come to the beat you gotta raise the bar

because f'f,â€!

Chorus: (JD)

This playboy, he gets crunk  
Keep that bang off in the truck  
With a nick-nac-paddy-whack, throw me a bone  
An this playboy gon' bring it ya heard me

(Big Duke)

Ugh ha

Yes sir

Now Think bout the lock down these holds southeast

Pull cards like teeth lang names like a reef

I wish one of you bustas would spark some beef

I swear to god it's goin
