Fuckin with my dough is like fuckin with my pride  
And fuckin with my hoes is like fuckin with my hide  
There's 2 things in life that you just don't mess with  
Act like a trick and like a trick you'll get dealt with  
[Mase]  
Now I know you love my lazy flow, but here comes my  
crazy flow  
I do this shit 'cause it makes me dough, do it again to  
make me mo'  
Rich is the only way to go, I'm givin' you what you paid  
me for  
What you lookin shady for?, bitch ain't got my baby hoe  
Top down, I'm 6'4", radio and AC blow, JD don't think  
that automatically  
'cause this nigga roll with Puff Daddy yo he gotta be,  
ridin' in the  
B-E-N-T-L-E but Y?  
'cause you see a young nigga like me all doin' it  
When it comes to put your 2 in it, wanna roll in it, see  
me put 2 in it  
And one that's then was mine, first you won't give me  
the time  
Now you gotta get in line, think that Mase gonna trick a  
dime  
You out your fuckin' mind, see I'm bout it, bout it  
Now is you with it, with it?  
Bitch, I don't care how you get your dough, you get it  
get it  
Now you can't claim to be a pimp then don't be  
committed  
Just like you hit it, hit it man another nigga that hit it  
Fuckin with my dough is like fuckin with my pride  
And fuckin with my hoes is like fuckin with my hide  
There's 2 things in life that you just don't mess with  
Act like a trick and like a trick you'll get dealt with  
Fuckin with my dough is like fuckin with my pride  
And fuckin with my hoes is like fuckin with my hide  
There's 2 things in life that you just don't mess with  
Act like a trick and like a trick you'll get dealt with  
[JD]  
Hoes know to fuck with me and they'll be steppin light  
Lookin' nice, that's right, livin' in my paradise

I've been makin' millions since I was young and still  
clockin'  
Still rockin', hoe-hoppin', show all your niggas how it's  
done  
Ya know, so-so, so hoppin like kinko  
So ya better think before ya go saying too much shit  
'cause all I'm about is making dough  
And makin' mo', keepin' my glow shone off  
Unlike this stuff I make the shit that keep them running  
to the stores  
Swappin', drop tops on the regular, sticken' game on  
the cellular  
If you need a hoe and a hoe ain't tryin to cut, then the  
hell with her  
I'm tellin' ya, shit we do ya can't erase, took a little  
change of pace

Me and Mase, for the niggas that hate, we still up in  
your fucking face  
Fuckin with my dough is like fuckin with my pride  
And fuckin with my hoes is like fuckin with my hide  
There's 2 things in life that you just don't mess with  
Act like a trick and like a trick you'll get dealt with  
Fuckin with my dough is like fuckin with my pride  
And fuckin with my hoes is like fuckin with my hide  
There's 2 things in life that you just don't mess with  
Act like a trick and like a trick you'll get dealt with  
[Lil' Kim]  
Now why the fuck you keep blamin' me?  
You the one trying to shoot game to me  
Thug ass bitch you came to be  
Ya'll hoes never meant a thang to me  
Front ass niggas wanna roll with us, go with us, spend  
a little dough  
with us  
Gotta crush, hush, on this slim chick with the wet lips  
and the set hips  
Too much smoke in the lex grip, can't pick who I wanna  
sex with  
Got more weed than a little bit, I don't bring no bullshit  
Gotta come through in a sex drive, me and little Cease,  
doin' it wild  
Never I slip, fill it to the top, ya'll niggas need just style  
Can I? Say it again, say it again  
Gotta come through with a little more wind  
B-I-G is soaked in, hard rock Petes I'll see ya again  
Ain't no tellin' this life of sin, how much dough you got  
to spin?  
It's so long you gotta spin, grab your man, slap your  
bitch  
Feelin flames with them clits, when the cops come,

stash them dope  
Better throw to me and out the window, wanna be  
clowns?  
Got jokes, ain't shit, fun to play, your niggas like done  
Click, click - show me the MONEY!  
Fuckin with my dough is like fuckin with my pride  
And fuckin with my hoes is like fuckin with my hide  
There's 2 things in life that you just don't mess with  
Act like a trick and like a trick you'll get dealt with  
Fuckin with my dough is like fuckin with my pride  
And fuckin with my hoes is like fuckin with my hide  
There's 2 things in life that you just don't mess with  
Act like a trick and like a trick you'll get dealt with
